BSCP Educational Relief Fund

BSCP Educational Relief Fund (Formerly COVID-19 Educational Relief Fund) has been relaunched for BSCP students/fellows whose education is impacted by unexpected road blocks and hardship. Thank you to our partners Cytiva, Faber and Vertex for their continued support. The next deadline for submission is March 31, 2022. Find out more [here!](#)

Resources and Highlights

- **Center for Healthcare Organization and Implementation Research (CHOIR)** Center for Healthcare Organization and Implementation Research (CHOIR) is seeking applicants for the following positions within the Department of Veterans Affairs, Veterans Health Administration located at the VA Bedford Healthcare System in Bedford, MA:
 - ⇒ Full-time Qualitative Analyst - Please send a cover letter and resume to Juliet.Wu2@va.gov with email subject heading: "Application for CHOIR Qualitative Analyst."
 - ⇒ Full-time Research Assistant - Please submit your resume and cover letter via email to Lauren Gaj Lauren.Gaj@va.gov.
CHOIR's mission is to advance coordinated, patient-centered health care for all Veterans through research and quality improvement (<https://www.choir.research.va.gov/>). Please indicate how you heard about the position in your cover letter.
- **Regeneron** is Hiring! – Where passion meets purpose in biotech. Over 100 positions to be released within the coming weeks. As a leader in the industry, we offer career development and opportunities at all levels in every aspect of our business from invention to delivery of medicines to patients. Join our talent community to learn more: <https://regeneron.avature.net/bscp>
- **The Hispanic Scholarship Fund (HSF)** is offering an exciting and free opportunity for students and parents! The virtual HSF College 101, will take place via Zoom, on Saturday, March 5, 2022, from 10:00 a.m. to 1:00 p.m. Eastern Time. This is an exciting opportunity that you won't want to miss! HSF College 101 is a FREE, bilingual program, designed to help middle and high school students, and their parents, prepare, plan and pay for college. [Click here](#) to register for the English session and [click here](#) to register for the Spanish session.
- Postdoctoral Fellowship at the **NIH NIEHS, Fertility & Reproductive Health** in North Carolina. We are seeking a candidate with training and experience in perinatal epidemiology for a postdoctoral fellowship in the Fertility and Reproductive Health Group (PI: Anne Marie Jukic, PhD) in the Epidemiology Branch at the NIH National Institute of Environmental Health Sciences. The successful candidate will have a strong background in epidemiology and statistical modeling. Experience in environmental health sciences, questionnaire design and implementation, mixtures modeling, and biomarker studies preferred. [Find out how to apply here.](#)
- **Beam Therapeutics** multiple summer internship available, [click here](#) for more information!
- **Cytiva** Communication Intern - Working at Cytiva in the Life Sciences industry means being at the forefront of providing new solutions to transform human health. Our incredible customers undertake life-saving activities ranging from fundamental biological research to developing innovative vaccines, new medicines, and cell and gene therapies. [Click here](#) to learn more!
- **The National Academies of Sciences, Engineering and Medicine** and the **Chan Zuckerberg Initiative** just launched the Science Diversity Leadership program, which targets underrepresented early career faculty in the biomedical sciences and related engineering. The grants are for \$1M over 5 years and can be used for both research and outreach efforts. Its website (<https://czi-sciencediversityleadership.nas.edu/>) describes the program and the application process. It also includes an email address (czi-sdl@nas.edu) where people can submit questions.
- **UMass Amherst Institute of Diversity Sciences:** Applications for our exciting online program for traditionally under-represented undergraduate students in tech and engineering are now open! The fast-paced 15-20 hours/week online program will have three classes each week and will take place from July 11 to August 19, 2022. [Click here](#) for more information!
- **Vertex** has many opportunities available! Early career, Co-ops and Summer Internships! Find them all on the [BSCP website](#). Vertex is committed to providing a higher internal level of visibility to BSCP applicants. In addition to listing BSCP on your resume, please let Pinar Kilicci-Kret know if you applied to any of the Vertex positions and select the BSCP source code when asked how you heard about the opportunity.

We encourage you to list your participation in BSCP (student conference, symposium, skills workshops) on your resume.
