In Case You Missed It

Webinars from earlier this month:

CV Writing for Scientific Positions

Building an Effective Resume

Resources and Highlights

- **BSCP Educational Relief Fund (formerly COVID-19 Educational Relief Fund)** - The next deadline for submission is April 29th find out more [here](#).
- **Vertex** has many opportunities available! Early career, Co-ops and Summer Internships! Find them all on the [BSCP website](#). Vertex is committed to providing a higher internal level of visibility to BSCP applicants. In addition to listing BSCP on your resume, please let Pinar Kilicci-Kret know if you applied to any of the Vertex positions and select the BSCP source code when asked how you heard about the opportunity.
- **Project Success: Opening The Door to Biomedical Careers** - Are you a high school student from a disadvantaged or underrepresented background in medicine? Would you like to learn about scientific research, gain mentors, and expand your network, all while participating in a paid virtual internship opportunity? This opportunity is restricted to students who have a home address in Boston or Cambridge, Massachusetts. Click [here](#) for more information.
- **Biophysical Society** - 15 new listings on Biophysics Society site. Find them all [here](#)!
- **CDC Fellowships and Training Opportunities** – Whether you are on a career track or deciding on which career you would like to pursue, CDC has many diverse fellowship, internship, training, and volunteer opportunities for students and professionals. Many of these opportunities provide invaluable experience and potentially offer clear cut paths to exciting careers with CDC. Click [here](#) for more.
- **MGH Youth Neurology Education and Research Program** - MGH is offering paid research internships again in the summer of 2022. **DEADLINE IS MARCH 25TH!** Click [here](#) to learn more.
- **Regeneron** is Hiring! – Where passion meets purpose in biotech. Over 100 positions to be released within the coming weeks. As a leader in the industry, we offer career development and opportunities at all levels in every aspect of our business from invention to delivery of medicines to patients. Join our talent community to learn more: <https://regeneron.avature.net/bscp>
- **VA CHOIR** has a new summer research internship program offering at the Center for Healthcare Organization and Implementation Research (CHOIR) in collaboration with the Women’s Health Science Division of the National Center for PTSD (WHSD). The goal of CHOIR-SRP is to create opportunities for undergraduate students from underrepresented groups who are interested in public health, medicine, or social science careers by exposing them to an interdisciplinary health services research center. Applicants can apply [here](#).
- **Harvard Medical School Curriculum Fellows Program** job openings:
 - ⇒ Curriculum Fellow in Biomedical Informatics - click [here](#)
 - ⇒ Curriculum Fellow in Developmental and Regenerative Biology - click [here](#)
- **Harvard Medical School** Howard, Dorsey, Still Lecture. Thursday, March 31, 2022 - 1:00 to 2:45 PM EST (ZOOM). Keynote Speaker André L. Churchwell, MD “Creativity and Applied Physics” A way for our right and left brains to be fully engaged to make us better problem solvers. Click [here](#) to register.
- **Medical Practice Evaluation Center (MPEC)** is hiring Research Assistants! – Our team of faculty, fellows, staff and research assistants work collaboratively to evaluate the clinical outcomes and cost-effectiveness of health interventions, both domestically and internationally, through modeling and implementation science. Click [here](#) to sign up for an information session.
- **NIH Clinical Center** – Chief Nurse Officer position in the Nursing Department, NIH CC. The National Institutes of Health (NIH) invites outstanding nurse executives with demonstrated experience leading a clinical research program, proven academic excellence, to apply for the position of Chief Nurse Officer at the NIH Clinical Center, Bethesda, MD. Click [here](#) to learn more.
- **NIMH-funded Postdoctoral Fellowship in Mental Health Services Research and Implementation Science**. Investigators at Michigan State University (MSU, Flint, MI) and Henry Ford Health System (HFHS, Detroit, MI) are pleased to announce joint plans to recruit two postdoctoral fellows for a two-year fellowship to commence in the spring/summer/fall of 2022. Click [here](#) for more information!

We encourage you to list your participation in BSCP (student conference, symposium, skills workshops) on your resume.
