

What's Happening @ BSCP

June 2022 Edition

Upcoming Events

Evening of Hope

Monday, October 3, 2022—The Westin Copley Place Boston

BSCP will celebrate 31 years of successes in our community at Evening of Hope, BSCP's only fundraising event! We're excited to have this be our first in-person event since 2019! We will honor Kevin Churchwell, M.D., President and Chief Executive Officer at Boston Children's Hospital, and J. Keith Motley, Ph.D., Distinguished Professor and Chancellor Emeritus at University of Massachusetts Boston. The event is co-chaired by Travis McCready, Head of Life Sciences, Industries Americas at JLL, Meredith O'Connor, International Director at JLL and Andrew S. Plump, M.D., Ph.D., President, Research and Development at Takeda Pharmaceutical Company.

Biomedical Science Careers Student Conference

Friday, March 31, 2023 from 6:00 PM to 9:15 PM and Saturday, April 1, 2023 from 7:30 AM to 6:00 PM

The Westin Hotel Copley Place – Boston, Massachusetts

This event is of particular interest to High School Juniors and Seniors (Saturday only); College and Community College Students; Post-baccalaureates; Medical, Dental and Graduate School Students; and Postdoctoral Fellows. The Conference will offer breakout and plenary sessions; keynote speakers; small group meetings between advisors and students/fellows; networking opportunities with professionals from biopharmaceutical industry, academia and the National Institutes of Health; and a program featuring science resources, including fellowships, job and research opportunities, internships, and summer programs. **Applications will be available fall 2022.** For more information, please contact Hollie DeSilva at hollie_desilva@hms.harvard.edu.

New England Science Symposium

Sunday, April 2, 2023 at Harvard Medical School – The Joseph B. Martin Conference Center.

The New England Science Symposium (NESS), established in 2002, provides a forum for postdoctoral fellows; medical, dental and graduate students; post-baccalaureates; college and community college students (particularly for Black/African-American, Hispanic/LatinX and American Indian/Alaska Native individuals) to share their biomedical and health-related research activities through oral or poster presentations, to engage in discussions related to career development in the sciences, to exchange ideas and to expand their professional networks. **Abstract submission and registration forms will be available fall 2022** at www.NewEnglandScienceSymposium.org. There is no fee but pre-registration is required.

Resources and Highlights

BSCP Educational Fund - Laptops for Rising College Freshman and Community College Students

Thanks to a BSCP partner company, limited number of refurbished laptops are available for BSCP students particularly rising college freshman and community college students who otherwise may be unable to have a personal computer due to financial hardship. [Click here](#) to apply online.

BSCP Educational Relief Fund (formerly COVID-19 Educational Relief Fund) - The next deadline for submission is August 31st find out more [here](#). Please note: Emergency requests will be considered on a case-by-case basis throughout the summer.

- **New England Future Faculty Workshop, presented by Northeastern University in partnership with Harvard Medical School** - This year's virtual workshop will be held on July 27th and 28th, and prepares participants for entry into the academic job market through sessions on finding their institutional fit, developing research, teaching, and diversity statements, honing interview and negotiation skills, time management, and planning their first year as faculty. Find out more [here](#).
- **Stanford Medicine Post Doc Fellows Program** - Stanford University is recruiting outstanding postdoctoral fellows for an inaugural fellowship in Pandemic Preparedness. To learn more about the program, including application requirements, please visit www.pandemichub.stanford.edu or contact Lauren Hailey at lohailey@stanford.edu.
- **USAIC's annual BioPharma & Healthcare Summit** has become THE BioPharma event in the world for senior executives focused on Drug Discovery & Development, Partnering, Licensing, External Research, Translational Research, Clinical Trials, Medical Devices, Healthcare, Innovation and Emerging Markets. The 16th annual (virtual) BioPharma & Healthcare Summit - June 24, 2022. Registration is free, find out more [here](#). This event is for graduating PhD candidates and Postdocs.
- Jobs available at **Bristol Myers Squibb**:
 - ⇒ [Scientist Early Target Biology – Bristol Myers Squibb](#)
 - ⇒ [Principal Scientist Drug Discovery – Bristol Myers Squibb](#)
 - ⇒ [Scientist, Genomics – Bristol Myers Squibb](#)
 - ⇒ [Scientist Oncology Early Target Biology – Bristol Myers Squibb](#)
 - ⇒ [Scientist In Vivo Pharmacology – Bristol Myers Squibb](#)
- **Vertex** has many opportunities available! Early career, Co-ops and Summer Internships! Find them all on the [BSCP website](#). Vertex is committed to providing a higher internal level of visibility to BSCP applicants. In addition to listing BSCP on your resume, please let Pinar Kilicci-Kret (pinar_kilicci-kret@hms.harvard.edu) know if you applied to any of the Vertex positions and select the BSCP source code when asked how you heard about the opportunity.
- **Merck** is looking for a Senior Scientist, Structural Protein Sciences, click [here](#) for more information.
- **Massachusetts General Hospital Research MPEC** is an interdivisional center dedicated to improving clinical outcomes, increasing value in health policy, and informing global public health through innovative research, collaboration, and education. We are currently hiring for Research Assistant, Research Specialist, Programmer Analyst, and Program/Project Manager positions and are committed to recruiting and developing a diverse team of individuals across ability, ethnicity, gender, race, and sexual orientation backgrounds. The links to the applications can be found [here](#)!
- **Regeneron** is hiring! – Where passion meets purpose in biotech. Over 100 positions to be released within the coming weeks. As a leader in the industry, we offer career development and opportunities at all levels in every aspect of our business from invention to delivery of medicines to patients. Join our talent community to learn more: <https://regeneron.avature.net/bscp>

We encourage you to list your participation in BSCP (student conference, symposium, skills workshops) on your resume.
