

SKILLS WORKSHOPS FOR COLLEGE & HIGH SCHOOL STUDENTS

HARVARD MEDICAL SCHOOL

The Daniel C. Tosteson Medical Education Center

Saturday, November 18, 2023

8:00 AM to 5:00 PM

This program for post-baccalaureates, college and community college students, high school seniors, juniors and sophomores provides information and guidance in areas such as application process for college and medical/graduate/professional schools, interviewing skills, financial planning, resume writing and internship opportunities. A special session for parents and caregivers will be available, as well as an internship fair with BSCP partner organizations. Breakfast and lunch will be provided.

Program Highlights:

Keynote Address:

Jonathan Abraham, M.D., Ph.D.

Associate Professor of Microbiology

Harvard Medical School

Associate Physician in Infectious Diseases

Brigham & Women's Hospital

Workshop Highlights

- Application Process for: College, Medical/Dental/Graduate Schools and Health Professional Schools
- Tips for Resume, Cover Letter and Interviewing Skills
- Community College Pathways
- Finances and Your Education
- And many more...

Internship Fair

There is no fee for this program but pre-registration is required.
